Because you are a girl,  
you know how to laugh.

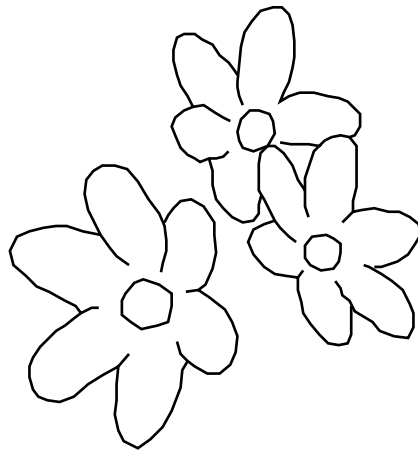

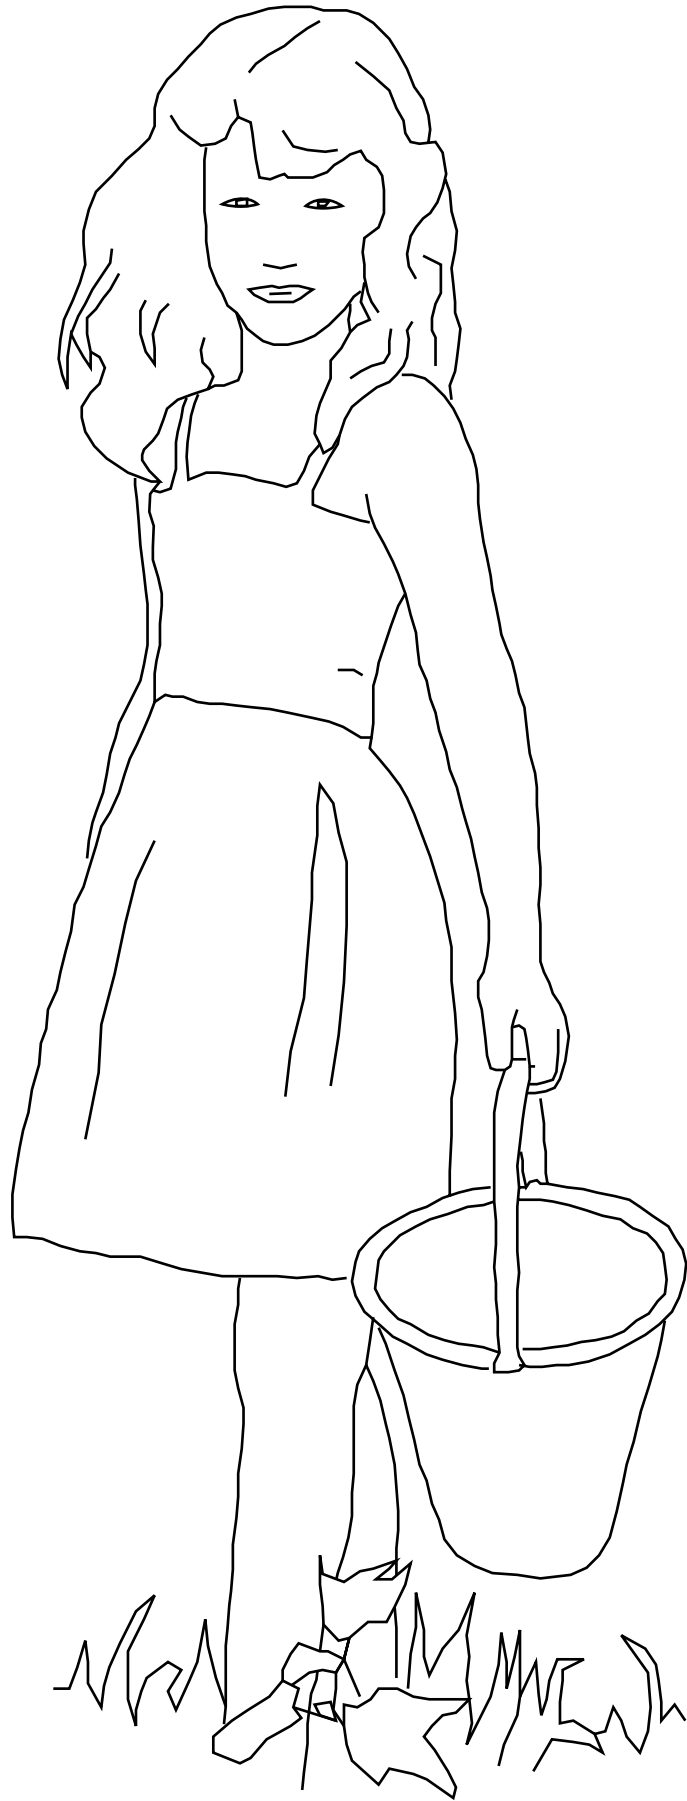

Because you are a girl,  
you know how to love.

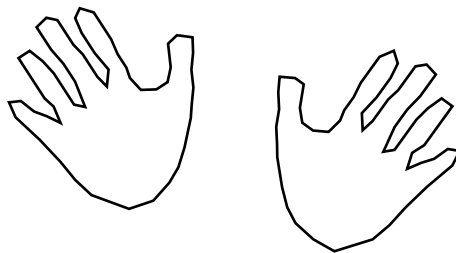

Because you are a girl,  
you know how to share.

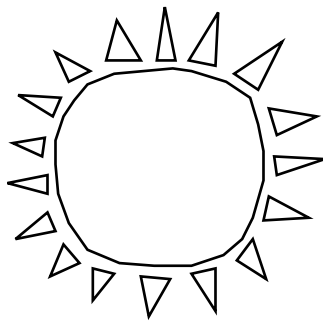

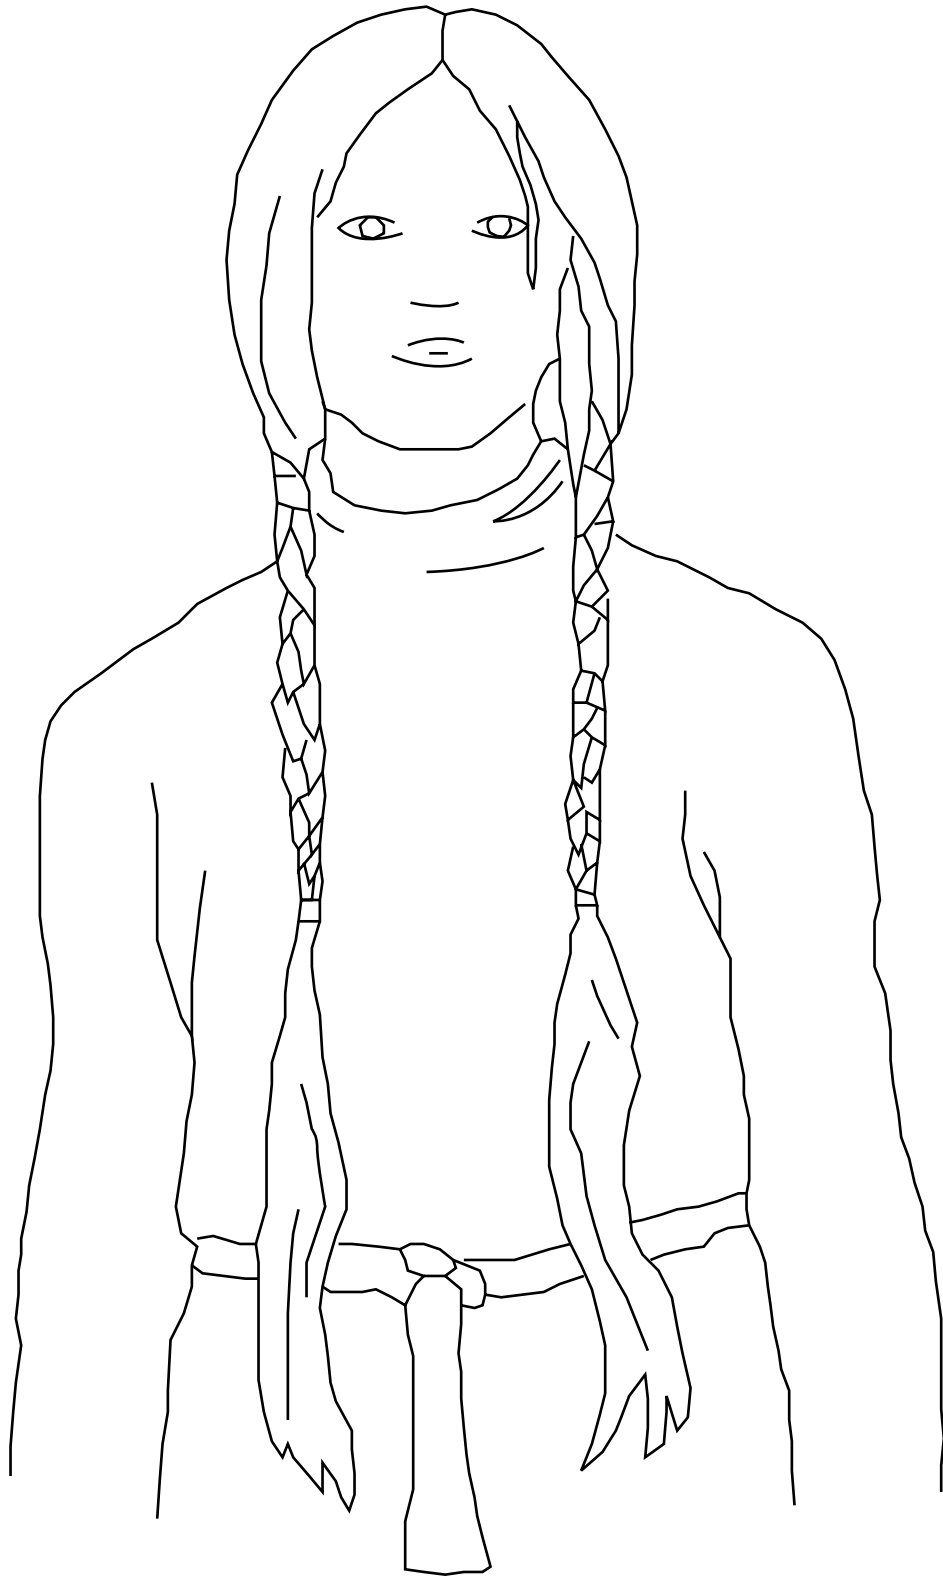

Because you are a girl,  
you can heal the world.

Because you are a girl,  
you are strong.

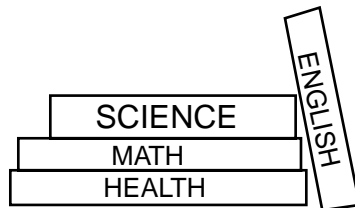

Because you are a girl,  
you have the gift of creation.

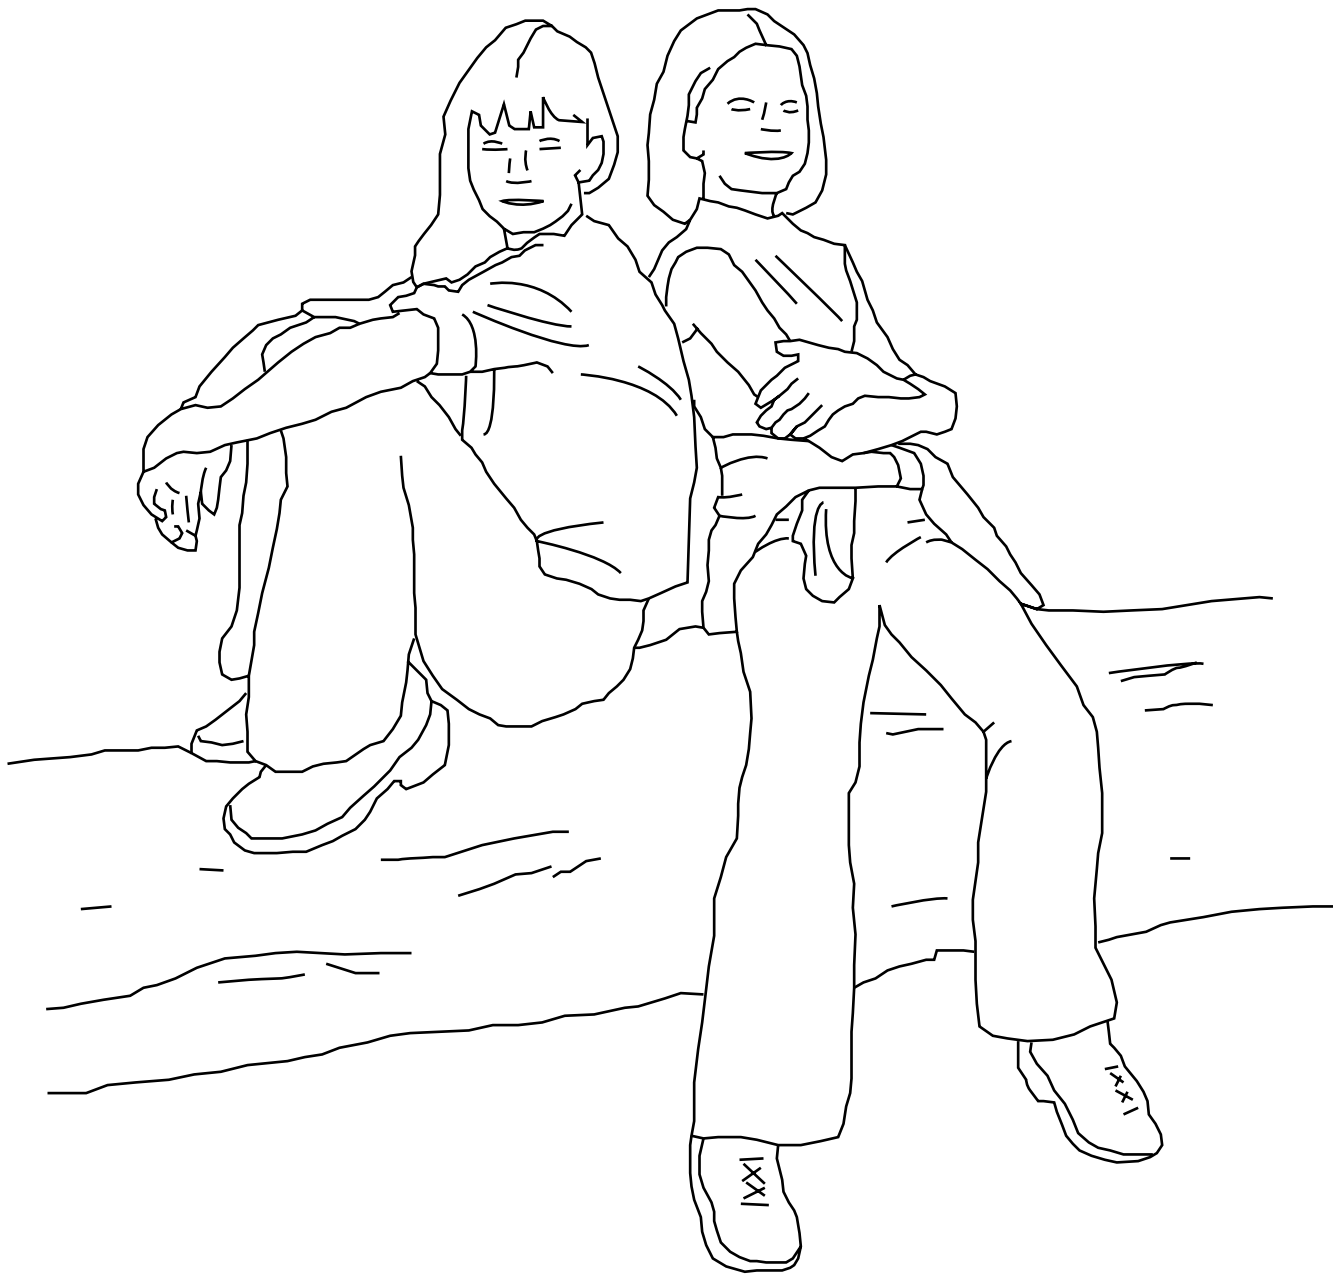

Because you are a girl,  
you are intelligent and knowing.

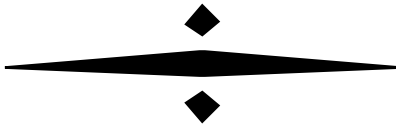

Because you are a girl...

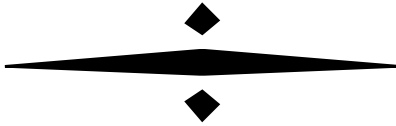

You are wanted.

You are needed.

You are loved.
