Fliggerty flask and slimey potion.  
Now do a cartwheel to set it in motion.

# To Make the World Spin

You must put away your broom.  
Now stand in the middle of your room.  
Look around, you must be alone.  
Make sure you've turned off the telephone.  
Put your arms out to each side.  
Shout "Ipsy Snide! Isper Wide!".  
And SPIN! Go fast. Look straight ahead.  
Be careful not to fall onto the bed.  
Now STOP!

Brother is a pig for real!  
Oink! Oink! Oink!

Open the door and yell "BOO!".

A charm to stay up all night  
Is easier said than done.
