

Petal Plucking and Seed Counting

Use the following rhyme when plucking
flower petals, or counting cherry stones
or seeds:--

One I love, two I loathe,
Three I cast away;
Four I love with all my heart,
Five I love, I say.
Six he loves me, seven he don't,
Eight he'll marry me, nine he won't,
Ten he would if he could, but he can't,
Eleven he comes, twelve he tarries,
Thirteen he's waiting, fourteen he marries.
